I placed a stop limit order for CYCC. Trigger at 6.01 and stop limit at 6.05. It just blew past it and I couldn't get in 😞
-  Jboogg 09:43AM
@harsh_129 it happens. Don't worry, there will be more plays.
-  JCtrader 09:43AM
I was trying to load freaking etrade for SCYCC at 6 as well but it was lagging
-  koreice 09:44AM
i placed a market order at 6,01 it jumped to 6.76 i got mad scared it executed at the top
-  JCtrader 09:44AM
that is the one problem with market orders 😞
-  Bricardona 09:45AM
Dek how did you get out? I got killed by the spread
